PROFESSIONAL PROFILE

I am a disciplined student with a focused ambition to work within the technological field. Currently, I'm studying for a Bachelor of Education in ICT at the University of Nairobi. I have built a sound knowledge of programming skills, learnt through self-studies while on campus. With a passion for Software development combined with workplace skills learnt through freelancing gigs, I am well placed to start a career in Software Engineering and add value to the industry.

EXPERIENCE

❖ **Web Development** — *Freelancing*

Nov 2021 - Present

Through my learning experience, I have been doing web development projects that have equipped me with the necessary skills to build systems that may help businesses run more effectively.

Key Roles

- Building scalable Web applications that help businesses run more effectively as a learning experience.
- Integrating payment systems; such as Lipa-Na-Mpesa, to existing applications.

❖ **Peer Teaching** — *ST Luke Karundas Sec Sch.*

Apr 2021 - Sep 2021

Participated in a voluntary service, aimed at helping peer learners in my former high school to prepare for their examinations.

Key Roles

- Mentoring peers
- Tutoring in various subjects including; Mathematics, Physics, and Chemistry.

- Performing basic computing tasks such as typing and word processing

EDUCATION

❖ Sep 2021 - Present: Bachelor of Education (ICT)

University of Nairobi - Nairobi, Kenya

Currently doing Bachelor of education (Information Communication & Technology).

❖ Jan 2017 - Dec 2020: Kenya Certificate of Secondary Education

ST Luke Karundas Sec Sch. - Nyeri, Kenya

Attained - B+

❖ Jan 2008 - Dec 2016: Kenya Certificate of Primary Education

Kiganjo Primary School - Nyeri, Kenya

Attained - C+ equivalent to 269 marks
